

## Introduction to Newspaper Index of Obituaries

This searchable PDF file contains content from the Barbara Bunshah Selective Subject Index ("Bunshah Index") to issues of Tri-Valley Newspapers 1874 - 2004.

The Livermore Heritage Guild, Livermore, CA, as holder of the Bunshah Index copyright, permits placement of this file on the Internet without modification and with acknowledgement to the Livermore Heritage Guild as the source.

CONTACT THE LIVERMORE HERITAGE GUILD FOR INFORMATION ON THE INDEX.

Hardcopy of the Bunshah Indexes are located at the Livermore, CA. Civic Center Library and the Livermore Heritage Guild History Center in the Carnegie building on 3rd St. between J and K Sts. The hardcopy indexes to the Livermore Echo and the Enterprise are located at the History Center only.

Microfilm of the newspapers are held at both the Civic Center Library and the History Center. The History Center microfilm collection of newspapers goes to the end of 1965. The Library microfilm collection of the Valley times and the Tri-Valley Herald goes to the end of 2009. The microfilm of the Independent is current as of April 1, 2011

This obituary index file 1874 - 2004 is a list of obituaries, not the obituaries themselves. It is protected as a read only pdf file. Text can be cut and pasted into another text file such as Microsoft Word.

The obituary index has been excerpted from the Barbara Bunshah Newspaper Index. It does not include obituaries prior to 1980 in the Valley Times and the Independent. The Livermore Civic Center library has microfilm of the newspapers listed in this file, with the exception of the Pleasanton Weekly, Sunolian, Echo prior to 1897, and microfilm roll 215 (early pre 1900 Livermore Herald).
