

BIRTH, MARRIAGE, AND DEATH NOTICES
FROM THE MOUNTAIN DEMOCRAT
PLACERVILLE, CALIFORNIA
13 June 1857 - 20 September 1862

EXTRACTED BY STEPHEN KENT EHAT
NOVEMBER 1978

Please note: the dates associated with each entry in this index signify the date of the issue of The Mountain Democrat newspaper in which the notice appears, not necessarily the date of the vital event itself. This index does not purport to give a complete record of what is set forth in any particular notice. For example, an entry for a birth might read in this index as follows: "Dryefus, Leopold, dau (29 Mar 1862)." But for the vital event so indexed, the newspaper notice itself might read as follows: "At Diamond Springs, on the 25th inst., to Leopold Dryefus and wife, a daughter." Similarly, though an entry for a death in this present index might read "Hawley, Lena E. (6 Apr 1861)," the notice in the newspaper might read as follows: "In Coloma, Cal., on the 1st inst., Lena E., only daughter of A. H. and M. E. Hawley, aged three years, one month and thirteen days, [Memphis paper please copy]." In all instances, please consult the newspaper itself for possible further details regarding any vital event here indexed. Kindly report any suggested corrections to stephen_ehat@hotmail.com.
