MOTHER LODE SECRETS

SECRETS ... kept by the hills; none better than  
in the Gold Country - the Forty-Niner Trail.  
SECRETS ... none more shrouded than the unmarked graves  
along the Golden Chain.

They came ...  
pioneers, natives, miners and their hangers-on.  
Hardship was no stranger ...  
survivors of the Western swarm,  
many fought the odds and made it  
to the gold fields -  
only to perish,  
strength and spirit dissolved,  
dissolved.

The crude past bears witness to all who followed for their "share".  
Gold bandit, hiwayman, prostitute, pickpocket,  
thief, cheat -  
omnipresent.

Regional law swiftly done ...  
a beating,  
severed ear,  
hanging.  
Towns suddenly exploded ...  
fashioned of green logs, brush - anything  
to accommodate the hurry.  
Prices jumped; - a dollar potato; six dollar egg ... Streets  
so deep in mud, men drowned.

Gold flowed as water in the streams.  
Towns prospered;  
strikes played out; populations left;  
then gave birth to new towns.

Countless Forty-Niners remain here still ...  
in the graveyards along the Trail. We are introduced as we  
read the stones.  
Many never reached the "yards". They are the best kept SECRETS  
of the Mother Lode.  
Ovals of stones, mere mounds of earth tell of the rush -  
gold rush--death rush.  
Tiny ovals - tiny babes departing -  
most in the ravaging winters.

Pause ... imagine this by-gone time;  
hunger led them over the brutal mountains;  
the cost was dear. There's reason to  
honor their memory.

Boston 16 April 1849 and arrived at Sutter's Fort 27 September  
after a remarkable journey across the continent. A rich store  
of written records preserved by these pioneers has left for  
posterity a fascinating picture of the Gold Rush."

This plaque was furnished by descendants of  
the Boston-Newton Party and dedicated on  
4 June 1950.
