TO BE WITHOUT A HISTORY IS LIKE BEING

MOTHER LODE SECRETS ...

SECRETS ... kept by the hills; none better than
in the Gold Country - the Forty-Niner Trail.
SECRETS ... none more shrouded
than the unmarked graves along the Golden Chain.

They came ...
pioneers, natives, miners and their hangers-on.
Hardship was no stranger.
Survivors of the Western swarm, many fought the odds
and made it to the gold fields -
only to perish, strength and spirit
dissolved.

The crude past bears witness to all who followed
for their "share" ... gold bandit, hiwayman,
prostitute, pickpocket, thief, cheat -
omnipresent.

Regional law swiftly done ... a beating, severed ear,
hanging.
Towns suddenly exploded ...
fashioned of green logs, brush - anything
to accommodate the hurry.
Prices jumped: a dollar potato, six dollar egg ...
streets so deep in mud, men drowned.

Gold flowed as water in the streams.
Towns prospered. Strikes played out.
Populations left, then gave birth to new towns.

Countless Forty-Niners remain here still ...
in the graveyards along the Trail. We are introduced
as we read the stones.
Many never reached the 'yards'. They are the best kept SECRETS
of the Mother Lode.
Ovals of stones, mere mounds of earth, tell of the rush -
gold rush --- death rush.
Tiny ovals of stones - tiny babes departing -
most in the ravaging winters.

Pause ... imagine this bygone time,
hunger led them over the brutal mountains,
the cost was dear. We have reason
to honor their memory as the secrets are still kept
by the Forty-Niner Trail.
