## Gunshot Kills Youth; Deputies List Suicide

Gunshot death of an East Bakersfield youth in his home last night is tentatively listed as a suicide, sheriff's and coroner's deputies said today.

He was David Michael Lindley, 19, son of Mr. and Mrs. John Lindley, 1721 Camino Primavera. His body was discovered in his bedroom, on the bed, about 7:45 p.m. by his mother, Louise Lindley, when she returned from an errand.

Officials said they were told the youth had been despondent, but did not specify as to what.

His father, a grocery store operator, said he was home about 7 p.m. and invited his son to accompany him to the wrestling matches, but the youth declined.

Mrs. Lindley said she left, returning two hours later to find the house in darkness. She entered her son's room and found him in bed, she told authorities. She then ran to a neighbor's house to summon assistance.

Firemen arrived, determined the youth was dead, and notified the sheriff's department. Near the boy's body was his father's .45 caliber automatic pistol. Young Lindley had been shot in the left temple. Feb. 11, 1970. An inquest is pending.

## Death Claims Famed Turf Trainer Jacobs

Feb. 15, 1970  
 By HUBERT MIZELL  
 Associated Press Sports Writer

MIAMI (AP) — Hirsch Jacobs, who went from Pigeon racing to the pinnacle of horse racing, died Friday and it caused tears among several of the little giants in the sport.

"He was a great man and always stuck by his commitments," said 101-pound Jorge Velasquez, leading money winner among jockeys in 1969. "He was a man of his word."

Hirsch, 65, was a trainer of thoroughbred champions. He saddled during a 40-year career 3,596 winners who earned over \$15 million.

"Old Mr. Jacobs was a credit to the business," said Sylvester Beitch, who trains for the George Widener Stables. "A real credit to the Business."

Hirsch died at the Miami Heart Institute, about 10 miles from Hialeah race track. His death at 12:15 P.M. was an hour before post time for Friday's first race.

"This is a big personal blow to me," said Conn McCreary, a former standout jockey who now works in Hialeah's publicity department. "I rode many good horses for Mr. Jacobs. They included Stymie, Joe Johes, Searching and Paper Tiger. It was a long and happy association."

Hirsch started his search for speed at age 12, racing pigeons in his native New York. Stymie was one of the great thoroughbred "steals" accomplished by the keen judge of horseflesh. Jacobs bought the non-winner for \$1,500 and Stymie went on to win \$914,485.

"He was probably the greatest horseman of this era," said Kenneth Noe Jr., racing secretary at Hialeah. "It is a great loss to the industry."

Dr. Harold Rand said Jacobs' death was due to a cerebral hemorrhage. "I had treated him here for about four weeks," said the

physician. "Mr. Jacobs had a stroke in 1966 but recovered enough to return to work. He became ill again in January."

Jacobs raced horses in partnership with Isidor Bieber and they built a thoroughbred dynasty around the sire Hail To Reason. Jacobs also trained horses owned by his widow, Ethel, and their daughter, Patrice. A son, John, assisted Jacobs in training.

Jacobs was born April 8, 1904, and saddled his first winner, Reveillon, at the old Pompano Beach, Fla., track in 1926. His 3,000th victory came with Blue Water, which was owned by Mrs. Jacobs, at Aqueduct in New York April 1, 1960.

Although never saddling a Kentucky Derby winner, Jacobs — oddly — had a possibility in Personality, now running in Florida. Hail to Reason, Palestinian, Promised Land, Flag Raiser, Affectionately, Priceless Gem, Straight Deal and Exhibitionist were among Jacobs' finest horses. A third place by Palestinian was the best a Jacobs horse could do in the Derby. END.

McFARLAND — The Kern County coroner's office is investigating the death of Jeff Johnson, 72, from apparently natural causes. His body was discovered Monday morning by his landlord.

Otha Baker, of 306 Lockwood Avenue, failing to see the elderly man about the property on Garces Highway, one quarter mile west of Stradley Avenue, peered in a window and saw the body on a couch in the living room, according to the investigating deputy from Delano-McFarland sheriff's substation. ## Springville Man Dies 3 Months After Crash

A Springville man, injured three months ago in an unusual traffic accident east of Porterville, died today in a Bakersfield hospital, the coroner's office reported.

He was Paul E. Martin, 58, of P.O. Box 621, Springville, who died in Mercy Hospital at 7:05 a.m.

California Highway Patrol investigators said Martin was driving east on Highway 190, two miles west of Springville about 10:30 a.m. Nov. 20 when his car was struck by a portion of a westbound truck.

Officers said the truck driver, Donald Keith Peachy, 32, of Fresno, was operating a truck tractor, pulling a pair of dump trailers when the rear trailer drifted off the north shoulder and hit a rock causing the trailer to bounce out of control into the eastbound lanes where it collided with Martin's pickup truck and camper rig.

Peachy was cited for failing to keep to the right, the CHP said. Feb. 18-1970

D. Stoddard Atwood, who went to work at a "temporary job in 1892 with the Kern County Land Company and retired 35 years later after a career of staff and special assignments that earned him distinction in his field, died Tuesday after a brief illness. He was 73.

Private cremation services will be held. The family said memorials may be made to the Friends of the Kern County Library, 1315 Truxtun Avenue.

He came to Kern County to work for Bakersfield architect, Charles H. Biggar to conduct studies in irrigation and associated projects. A succession of positions kept Mr. Atwood on assignment dealing with water, land, historical and other projects until his retirement in August, 1965.

His leadership of the Bakersfield Rotary Club brought the successful completion of many constructive projects and his interest in books, history and education prompted his vigorous activity in the Library Associates, a

group of citizens offering associate support to the Kern County Library which is now known as Friends of the Kern County Library.

Following his retirement from the Kern County Land Company, he engaged in research into the history and archives of the company in preparation for a definitive biography of the founding of the historic concern.

He was preceded in death by his wife, Helen Reed Atwood, in 1951, and by a son, Stoddard Reed Atwood in 1969.
