OLD RECORD BOOK

PLAINSBURG CEMETERY

**8943 E. Gillette Road
Le Grand, CA 95333**

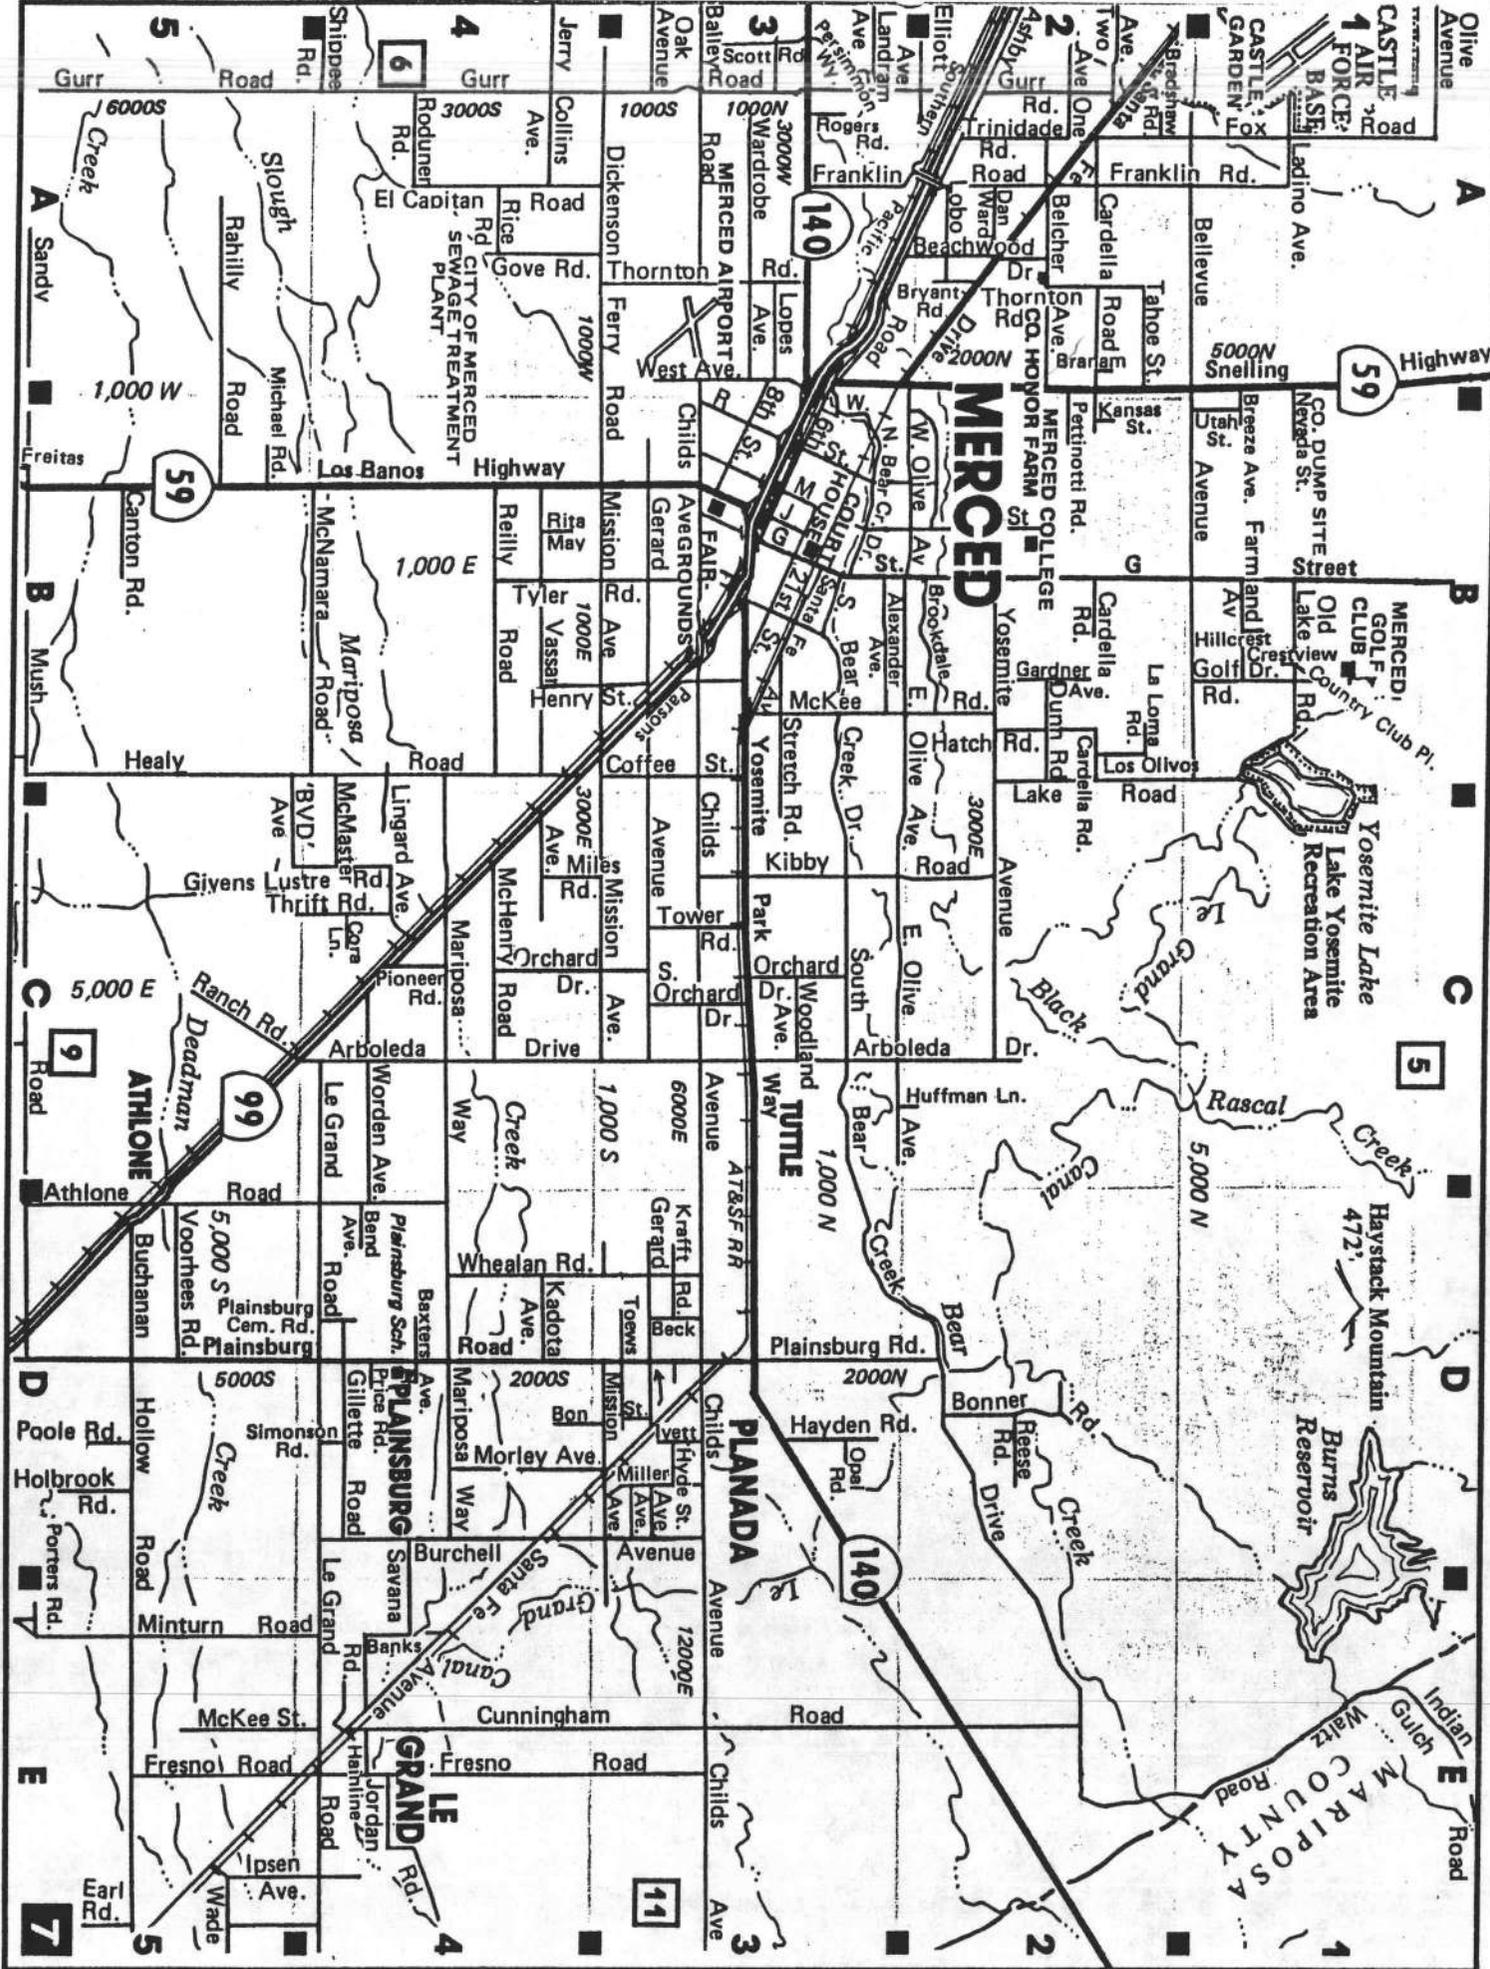

The following records were transcribed from the "Old Record Book" which is located at the cemetery. At some time in the past some of the early records had been copied into this book from other sources, or an earlier book. The book was in poor condition when copied by members of the Merced County Genealogical Society in 1993 but believe this transcription to be a correct copy of the original entries

Transcribed by Betty McCollum Padilla, member of Merced County Genealogical Society.
