

**MERCED COUNTY**  
**CALIFORNIA**  
**CORONER'S BOOK**  
**1883-1918**

This booklet is a transcription from the original Coroner's Register which listed all calls by the Coroner. This register was in the possession of a concerned citizen who donated it to a member of the local genealogical society. The Register has been placed in the Merced County Museum. Information in this booklet is not recorded in any other place.
