Inscriptions copied by Mrs. C. A. Paterson, 337 Moran St., Reno.
Mrs. Ruth Stumpf, 17 Whippoorwill Lane, Westport, Connecticut

In August 1957, when Mrs. Paterson and Mrs. Stumpf copied the inscriptions, considerable difficulty was experienced because of the worn wooden and sandstone markers -- difficult to designate between letters or figures, such as C and G; 3 and 8.

In August 1958, Mrs. Paterson, while checking inscriptions for possible errors, found the following new marker:

E. Clampus Vitus

This marker placed in memory

of William S. Bodey
