Notes:

Where abbreviations for common given names appear in the Birth Registry, the name has been copied as shown. The designations are as follows:

Ant <sup>o</sup> (Ant <sup>a</sup> )	Antonio (Antonia)
Fran <sup>co</sup> (Fran <sup>ca</sup> )	Francisco (Francisca)
M <sup>a</sup>	María
Sacram <sup>to</sup>	Sacramento

Since the spelling of a particular name was not standard during the period covered by the baptismal abstracts, it was not unusual for the same name to appear in different forms in the registry. Some of the most frequent variations are indicated below:

Abila (es)	Avila (es)	Leibo	Leyv
Albanedo	Alvnedo	Naranis	Arranz [Naranis]
Albáñez	Albeñez	Niguel	Miguel
Albarado	Alvarado	Cliba	Oliva

NOTE: Original records from which these abstracts are taken always gave names of Godparents; occasionally, however, names of father or mother were omitted.

\* Since patronymics --rather than surnames--were generally used in the baptismal records for identifying Indian parents, no surname is given herein for these baptisms as well as none for those where names of parents were omitted.
