"**BROWN/FOX**--AN ELOPEMENT--An Episode That Has Stirred the Town of Placerville. That the course of true love never - or hardly ever - runs smooth, was exemplified in Placerville on Tuesday morning, when it was discovered that Thomas **BROWN**, after a vain endeavor to obtain the consent of one Mr. **FOX** to marry the latter's daughter, Hattie, had taken the object of his affection and levanted to San Francisco. Like Lochnivar of olden time, **BROWN** employed a horse, but with a carriage attachment, to convey his prospective bride away from her parent's domicile. They left Placerville in the small hours of the night and drove as far as the town of El Dorado, where they rested until the arrival of the train coming to Sacramento. From here they went direct to San Francisco. It is said the bride's family are greatly incensed at **BROWN** and have made promises of a very warm reception to that individual should he return to Placerville at the termination of the honeymoon." "**COIT/HITCHCOCK**--A noted character of the metropolis: Miss Lillie **HITCHCOCK** has capped the climax of her eccentricities by uniting herself in marriage with a Mr. **COIT**, and departing for Europe the next day without the company of her liege lord. The gentleman has white hands and no visible means of support, but the day she left, Mrs. Lillie mortgaged property in her maiden name to the value of \$5000 (so says good authority). All of this she gave to him. \$3000 to buy him a seat in the Board of Brokers, and \$2000 to take him to New York, whither he has now gone. I believe her parents were ignorant of her marriage. The event caused several vocal exclamation points in circles polite, but it is generally pronounced to be "just like Lillie **HITCHCOCK**," and there the matter ends. One of her intimate friends says it is a "marriage du convenance," because in Paris she can go where she pleases unattended as "Madame," but must submit to a "chaperone" as "Mademoselle." This is hardly probable, first, because she went in company with her parents, and second, because she would do as she pleased anyhow." Source: *Stockton Daily Independent*, 29 Dec 1868. "**COMPTON/COMPTON** -- Sues for Loss of Wife's Love - Sensational Suit Filed By Fred. W. **COMPTON** Against Harry **ST. GEORGE** Asking For \$25,000 Damages - GRASS VALLEY (Nevada CO.), January 18 - Probably the most sensational suit ever filed in this county was begun yesterday in the Superior Court by Fred W. **COMPTON** against Harry **ST. GEORGE**, who is charged with alienating the affections of Compton's wife. Compton sues for \$25,000 damages to his feelings. Papers will be served on **ST. GEORGE** in San Francisco to-day, if he can be found. The story is the old one of a false friend and dates back several years, according to Compton's statements. He was married in this city some twelve years ago to Miss Annie **CARTER**, daughter of Captain and Mrs. John R. **CARTER**, prominent people. Captain **CARTER** is extensively engaged in mining here. The **COMPTONS** and **ST. GEORGE** were intimate friends during the latter's residence in Grass Valley. Last Spring Mrs. **COMPTON** went to Oakland to receive medical treatment, having been in poor health for months. For nearly two months husband and wife corresponded very regularly. There was no indication of marital trouble, and Compton was expecting his wife to return in a day or two, when a letter came from her stating that she had taken steps to secure a divorce. She characterized their wedding as a "mistake," and declared it was best that they should part. **COMPTON** hired an attorney, but did not fight the case. Accordingly his wife obtained an interlocutory decree on August 30th in Oakland. Early in September she was married to **ST. GEORGE** at Winnemucca, Nevada, being accompanied thither by her mother. The bridal pair then left for a tour of Europe, returning only recently to California. **COMPTON** was waiting for this, and quietly dropped into San Francisco a few days ago, secured the services of a strong legal firm, and perfected arrangements to begin proceedings. **St. GEORGE** has been located at Fairbanks, Alaska, for several years, and has large mining and business interests there. He is reputed to be very wealthy now, and will undoubtedly fight the suit bitterly. The wide acquaintance of all the parties concerned in this city adds to the interests in the case. **COMPTON** says he may yet bring criminal proceedings as he contends that his former wife has committed bigamy in marrying within a year after receiving an interlocutory decree." "**DAVIS/ESTUDILLO**--On Friday morning last [19th?], at the Mission of Dolores, by the REV. PADRE PRUDENCIO SANTILIAN, WILLIAM H. **DAVIS** Esq., to Miss MARIA J., Daughter of DON JOSE JOAQUIN **ESTUDILLO**, of this place. "The nuptials were celebrated on the evening of the same day with considerable elcat. The escort, the banquet, and the "featly dance," passed off the time with generous mirth and pleasantry. The new and commodious house of Mr. W. H. **MERRILL**, (to be known, we believe, as the "American House,") was thrown open for the reception of a host of friends, and how the kind entertainment was appreciated, half the town, perhaps, can testify. How warmly we congratulated the happy newly wedded! Joy to the bride and groom!

"Joy to the bride! she hath pledged

"At the shrine where her heart hath bowed.

"She has given the faith of that stainless hand,

"To the heart where affection glowed;

"And they need not scoff at the name of Love.

"Nor drown on its offered flowers,

"For the sun that lights up the world above,

"I have seen it smile on ours.

"Joy to the bridge, the heartless

"May frown from their giddy height,---

While the soul looks on its cynosure,

"They never can dim its light,

"When the world's dark hand is raised in wrath

"O'er the loved one at her side,

"O, who should smile on his darkened oath

"**DAVIS/LAMB**--San Ardo Lovers Elope -- The San Francisco Chronicle of last Saturday contained the following: "Pretty Louise **LAMB** left her home in San Ardo, Monterey county, last Monday, accompanied by Miss Maria **HEALION**, ostensibly for a visit to the latter's home at Tocaloma in Marin county. She will never reach Marin county as Miss **LAMB**. On the train coming up was a strapping young man, an industrious and thrifty rancher of San Ardo, who has been assiduously courting the heroine of this little story for over a year. His name is Edward **DAVIS** and his attentions were strongly opposed by the girl's parents. When San Jose was reached, the trio alighted, a marriage license was secured and a Justice of the Peace united 2 yearning, loving hearts. Mr. **DAVIS** brought his bride to the city Tuesday and immediately left for San Ardo to get his place newly fitted up for her reception upon her return from visiting Miss **HEALION** at Tocaloma, on the line of the North Pacific Coast Railroad, for which place she leaves this morning. The "old folks" were informed of the marriage Thanksgiving Day, and were furious at the disregard shown by their daughter for their expressed wishes. They may relent possibly, and make the best of what they consider a bad bargain, but according to a friend of the family 'God bless you, my children' and forgiveness will not be accorded the newly married pair by those 'at home' at present." "**DILLON/COOPER**--Miss Alice **COOPER**'s Marriage--The following account of the marriage of Miss Alice **COOPER**, which we reproduce from the *San Francisco 'Post'* of the 2nd inst., will be of interest to the many friends of that young lady in Monterey County: Last evening at 9 o'clock, in the presence of their numerous friends, at the residence of the bride's parents, 1926 Octavia street, Miss Alice **COOPER**, daughter of Mr. & Mrs. J.B.H. **COOPER**, and Thomas **DILLON**, son of Mrs. N. **DILLON**, were united in the holy bonds of matrimony. Rev. Father **COTTLE** performed the ceremony. The fair young bride is a member of one of the old representative Spanish families of this coast. In fact, she is a grandniece of the late General **VALLEJO**. Both of the high contracting parties and their families are prominent members of the catholic community. The house was simply and tastefully decorated for the occasion with palms, ferns and flowers. The bride, a handsome, petite brunette, looked very lovely in her bridal attire. The gown was of white corded silk, fashioned empire style, with immense puffed sleeves. The back was laid in Watteau folds, and fell in a great court train. The neck was cut slightly decollete and filled in with mousseline de soie and duchesse lace 150 years old. At each shoulder was a knot of orange blossoms and lilies of the valley, which, intermingling with the rare old duchesse, fell in a soft cascade down the side of the gown almost to the hem of the jupe. A veil of silk tulle completed the lovely bridal attire, and was fastened to the coiffure by a diamond star, the only ornament worn by the bride, it being the gift of the groom. Miss Marie **DILLON**, sister of the groom and maid of honor, looked very handsome in a dainty gown of yellow crepe. Mr. & Mrs. **DILLON** were the recipients of very many presents. From Mr. & Mrs. **COOPER**, the parents of the bride, they received the handsome home on Sacramento street, adjoining the **COOPER** residence. The house has been recently built and is elegantly furnished. From Mrs. J.B.R. **COOPER**, the grandmother of the bride, they received a magnificent chest of silver containing 150 pieces. Mrs. **DILLON**, the mother of the groom, gave the happy couple a handsome solid silver tea service. Mr. & Mrs. **DILLON** left this morning for a short bridal trip. On their return they will occupy their new residence on Sacramento street." Source: *Salinas Weekly Index*, 9 Feb 1893. Transcribed by Dee.

"**FISHBACK/BOWMAN**--The marriage of Miss Meda **BOWMAN** and Major George Welton **FISHBACK** was solemnized last Thursday at the residence of the bride's brother, George M. **BOWMAN**, 480 North First street. The wedding was beautiful in every particular, and not a detail that could add to make it bright and pretty had been neglected. The bride, a cultured and graceful girl, is a favorite in society circles here; she has traveled extensively abroad, and for the past two years has made her home in San Francisco; where she has a large circle of friends. The groom is paymaster in the U. S. A., and is a gentleman of fine presence, a Harvard graduate and a brave soldier. The happy couple start out in their new life under the most favorable auspices; and after a stay in Manila, where Major **FISHBACK** has been ordered, they will probably take up their residence in Washington, D.C., where the bride will grace the social circles as charming as she has done here and in San Francisco. *Beautiful House Decorations*. The residence of Mr. and Mrs. George M. **BOWMAN** is one of the most elegant in town and to heighten the effect of the pretty decorations which adorned the interior the rooms were darkened, and the gas jets were lighted so that when the guest entered they left the gloomy weather behind them to have their eyes greeted by a vista of brightness, where flowers and foliage combined their tones with those of the delicately tinted furnishings. The reception hall was decked in the holly laden with bright berries. Along the south side of the front parlor was a chancel adorned with the festoons of white tulle and bunches of mistletoe, while the large southwest window was banked with mountain ferns from among those graceful branches gleamed the folds of the American flag. At the entrance to the window were clusters of bamboo shoots, which lent an airiness to the ensemble. A charming effect was produced at the mantle mirror which was partially veiled by a large wreath of mistletoe; while cordons of smilax fell in

festoons and formed a fringe around the rooms. The large dining room was equally as attractive festoons of smilax, masses of ferns, bright holly berries and bunches of mistletoe were arranged in seizing combinations. *The Ceremony.* It was just one o'clock when six of the choir boys of Trinity Church descended the stairs singing the processional hymn, "O Perfect Love" with organ accompaniment. The groom and his attendance, Dr. **SITT** of the ship Hartford, and Lieutenant **ROBINSON** of the Independence, took positions near the large window and waited the coming of the bride, who entered accompanied by her brother. The ceremony was performed by Rev. Burr M. **WEEDEN**, Rector of Trinity Episcopal Church; and the bride never looked lovelier nor the groom manlier than when the marriage about his were pronounced and their responses giving, clear and distinct. At the conclusion the choir sang the benediction hymn, "The Voice That Breath O'er Eden. Elegant Gowns. The bride wore a gown of white crepe trimmed with rare old point lace. A veil of silk illusion fell on graceful folds to the end of the train and her bouquet was of lilies of the valley. The bridesmaid, Miss Edna **BOWMAN**, wore a dress of exquisite ecru lace over yellow silk. Indeed, it may be beautiful picture - the lovely bride and her attendant in their dainty dresses, with the groom and best men in full military costume, the clergymen in his sacramental robes, the choir boys in their surplices, with the background of green. About forty, including relatives and intimate friends, were present and these gathered around the newly married pair with congratulations and good wishes. *The Breakfast.* Following the ceremony a wedding breakfast was served on tables arranged in the dining room and parlor. The bride's table was adorned with magnificent bride roses and the guests' tables with holly berries. During the breakfast a string orchestra played the latest music. Major and Mrs. **FISHBACK** left on the afternoon train for Del Monte, where some time will be spanned before sailing for Manila." Source: *San Jose Mercury*, 17 Dec 1899, p.9. "**HOWE/CRAMPHORN**--Tuesday at 12:30 o'clock a large number of friends assembled in the First Methodist church to witness the marriage of Miss Lily **CRAMPHORN** of this city, and James Hamilton **HOWE** of San Francisco. Mr. **HOWE** is conductor of the Oratorio Society and Miss **CRAMPHORN** was Secretary; and the members of organization gave evidence of their artistic taste and skill by transforming the interior of the church into a lovely bower, where are tall fern mingled with holly and flowers. Over the chancel rose a canopy of cedar studded with bright Christmas berries with white and yellow chrysanthemums. From the center hung a ball of white chrysanthemums and from either side cordons of cedar and holly berries extended from the gallery and hung in graceful festoons around the church. The organ loft and front of the platform were concealed by a wealth of graceful ferns and tall palms, which formed a background for vari-colored chrysanthemums and roses; and the pulpit was banked with the same beautiful flowers. Franklin **PALMER** of San Francisco presided at the organ and the following musical programme was successfully rendered: "Nuptial mass," Dubois; "Offertory," Salome; "Wedding March," Rousseau; "Wedding March," Wagner. Up as the bridal party entered, Mrs. **WEAVER-McCAULEY** sang, in her own charming and inimitable way, "O Promise Me." The groom and his best man, Professor **McFARLAND** of Stanford University, entered the chancel as the bridesmaid, Miss Alice G. **McMILLAN**, advanced up the aisle. She wore a gown of pale pink organdie trimmed with satin ribbons and carried a bunch of pink carnations. The bride, accompanied by her brother, Alfred J. **CRAMPHORN**, came next and she looked very pretty in her dress of white organdie, over which fell in graceful folds a veil of silk illusion. Her bouquet was of white carnations. At the altar they were met by the pastor, Rev. Alfred **KUMMER**, who performed the marriage ceremony. At the conclusion of this service Mr. **PALMER** played Mendelssohn's wedding march. In the vestibule of the church friends gathered around the happy couple with congratulations and good wishes, after which the bridal party was driven to the residents of Mr. and Mrs. Charles **KROUSE**, 129 Balbach street, where a delicious lunch was served. After a wedding trip to the southern portion of the State Mr. and Mrs. **HOWE** will be

"**HUMPHREY/WARREN**--MISS ELIZABETH **WARREN** AND CHARLES F. **HUMPHREY** MARRIED--There has not been a more interesting wedding this winter than that of Charles F.

San Francisco County

Marriages

HUMPHREY and Miss Elizabeth **WARREN**, which was celebrated Last evening, at 9 o'clock, at the residence of the brides' uncle, Charles **CLARKE**, 3529 Washington street. The cheery home had an artistic floral decoration, all the appointments were in the best of taste and the guests formed the merriest possible company. They were received by Mrs. Patrick **REDDY**, who took the place of the bride's mother. She wore a gown of black velvet combined with white satin and point lace. The groom is one of the well-known lawyers of this city. The bride is the daughter of Mr. and Mrs. John **WARREN** of Lancashire, England. Some six years ago Mr. **CLARKE** brought his little niece from England to be his companion, his comfort and little home-keeper. Three years ago she graduated, and about that time Mr. **CLARKE** built the handsome home where they have since lived and which yesterday, with all its elegant furnishings, was deeded to her as wedding gift. Now Mr. **CLARKE** will make his home with the young couple. It was just 9 o'clock when the wedding march noted the approach of the bridal party. Miss Susie **DARNEAL**, the maid of honor, led the way. She wore a pretty gown of light blue organdie over blue silk. The bride followed with her uncle. Her gown was of ivory satin. Both the skirt and waist had a handsome trimming of appliqué silk embroidery. Over all fell a tulle veil. Roses and hyacinths formed the bridal bouquet. In this beautiful frock the bride, who is fair, rosy-cheeked, blue-eyed and the possessor of a wealth of wavy light-browned hair, looked exceedingly well. In the billiard-room, where the chime of wedding bells hung, awaited the groom, his best man, William P. **HUMPHREYS** Jr., and Rev. Robert **MacKENZIE**, the Officiating minister. At the conclusion of the ceremony there was a round of hearty congregation, and the friends dispersed themselves about the house. Some viewed the presents, which were shown in one of the upper rooms, and others found their way to the ballroom, where dancing was enjoyed. The floors were canvassed and every corner was a cosy nook. At 11 o'clock supper was served, and later Mr. and Mrs. **HUMPHREY** left for a southern wedding trip. Upon their return they will reside at their new home. The wedding guests were: Mr. **DAVIES**, Mr. and Mrs. **VAN SECKLEN**, A. **CLARKE**, Mr. and Mrs. **COOPER**, Mr. and Mrs. Tom **MAGEE**, Mrs. and Mrs. **HILBERT**, Mr. and Mrs. **HAPPERSBERG**, Mr. and Mrs. **STEVENSON**, W. "**JAMISON/CAMPBELL**--JUDGE'S WIDOW CAUSES SENSATION--Marries Man Recently Released From Prison--The San Francisco Examiner to-day publishes a story to the effect that the widow of the late Judge J.A. **CAMPBELL**, of San Francisco, married an ex-convict in this city on November 27th. The man in the case is G.H. **JAMISON**, who was released from San Quentin prison last August upon completing a term of eighteen months for grand larceny. Both Mrs. **JAMISON** and her husband admit that he was sent to San Quentin, but insist that he was innocent of the crime charged. Since Judge **CAMPBELL**'s death in 1899, his widow has resided at Berkeley with an adopted daughter, Mrs. Anita **DUNWOODIE**. Mrs. **JAMISON** declares it was her adopted daughter and Archibald **CAMPBELL**, a fourth cousin of the late Judge **CAMPBELL**, who made **JAMISON**'S record public. **JAMISON** embarked in the furniture business in Berkeley shortly after his release from prison, using his own money, and not that of his wife, he declares. As stated, the ceremony took place in Sacramento, November 27th, the newly-married couple returning to Berkeley at once." Source: *The Evening Bee* (Sacramento, CA), 7 Dec 1905, page 12. "**KEE/SEE**--A Chinese Wedding--*The Castroville 'Enterprise'* of Feb. 10th says: "A high-toned wedding took place in our burg Saturday night, the parties to the even being Sam **KEE**, a wealthy farmer of this section, and TOY **SEE**, a Chinese belle of San Francisco. The bride was met at the depot Saturday evening by a carriage from the livery stable and was immediately driven to the business place of **CHUNG LEE** in Chinatown, where the ceremony took place amid great pomp at 9 o'clock. A Chinese minister from Sacramento tied the knot in genuine Chinese style; the bride was gorgeously arrayed in jewelry and fine clothing. The value of the jewelry was \$300 and of the clothing between \$250 and \$300. This was all given to the bride by lady friends and relatives of the groom. Sunday morning the ceremonies closed a little after 9 by a fusillade of bombs and firecrackers, lasting about 15 minutes. We were informed that Mrs. Sam **KEE** cost her husband originally \$1,600." "**KULLMAN/STEIN**--HEBREW MARRIAGE -- The Jewish Synagogue was crowded to overflowing yesterday on the occasion of the marriage of Mr. Herman **KULLMAN** with Miss Amalia **STEIN**. The ceremony was performed by Rev. Dr. **ECKMAN**, of San Francisco, introduced by some appropriate remarks addressed to the couple about to be untied in marriage, and to the audience generally. The nuptial ceremonies were then performed, the marriage contract having been first signed, and read in German and English. The customary breaking of the glass which is attended by a deep significance, was, from some cause, omitted, which fact was declared to us upon enquiry, as being at variance with the long established rites of the Jewish Church in the marriage service. The ceremonies being over, the bridal party and their friends repaired to Turn-Verein Hall where a magnificent repast was prepared for them. "**LeROY/LeROY**--In the presence of nearly 100 invited guests, George **LeROY** was married to his former wife, Ruby L. **LeROY**, in the parlors of the Hotel Hollister shortly after 10 o'clock Tuesday evening. The ceremony was performed by Justice **AGNEW**...Mrs.**LeROY** is an exceedingly charming lady and has for the past 2 years been a resident of Fresno. The groom is the popular day clerk at the Hotel Hollister and is too well known to our readers to need any introduction. The wedding ceremony was delayed some time owing to an accident that befell the groom. He went to San Francisco to meet Mrs. **LeROY**, who came up from Fresno, and after seeing her to a seat in the car, was engaged checking her baggage when the train pulled out and left him, an angry and greatly perturbed man, standing on the platform with his bride speeding towards Hollister. George had been too long on earth to be stumped with a proposition like that so he boarded the overland, reaching Gilroy shortly after 9 o'clock. At the station, an auto in charge of Norman **GILMORE** was waiting, into which George jumped, everything was turned wide open and in 45 minutes he was in the Hotel Hollister parlors receiving the congratulations of the waiting guests." An introduction of the parties is totally unnecessary, yet we can scarce refrain from saying a few words. Archibald **McARTHUR** is known to almost every person in Northern California and in Fall River Valley in particular, having spent the greater part of the thirty-four years of his life here. For the past fifteen years, he has been sole manager of his father's immense business, which embraces banking, merchandising, farming, stock raising

and a general real estate and trading business. Owing to its varied nature and being scattered over a large extent of country, it is probably the most extensive business in the State and required a man of no small caliber to manage it, but Archie was equal to the task and has managed it very successfully too. Not only has he proven himself a successful business man, but also an honorable man, a sincere Christian and a true friend to those deserving his friendship and today, friends by the hundreds are waiting to congratulate him on what they hope will be a happy marriage. The bride, Miss Mary **TOCHER**, is one of the sweetest girls ever known in this country. She is a sister to William B. **TOCHER**, who for years has been one of the leading businessmen of this town. Less than two years ago, she left her home in Scotland, leaving father and mother, brothers and sisters and came to this far off land to take charge of her brother's household, which had been rendered by death, wife-less and motherless. Her sweet, modest, womanly ways and her great devotion to her charge won for her the admiration of all and won for her the heart of the noble man, who choose for a bride. "**McDONOUGH/KERRIGAN**--AFTER 20 YEARS, HE WINS HIS FIRST LOVE--MARYSVILLE (Yuba Co.), August 12 - Twenty years ago Patrick **McDONOUGH**, then an industrious farm hand, courted Catherine **KERRIGAN** at the home of the young woman's mother, near Harkey's Corner, in Sutter County. His wooing at that time proved in vain. He finally gave up farm work and went to San Francisco, where he engaged in business and was quite successful, amassing a tidy fortune in ten years. He married, but about two years ago his wife died. About the same time Miss **KERRIGAN'S** mother expired, and when the Sutter County Probate Court made the distribution of the estate, the young woman decided on San Francisco as her future home. There Patrick and Catherine met again, and then and there he renewed the wooing where he left off a double decade ago. Seemingly he had become expert in the art, for in a short time all was well understood between them. The climax to the romance came yesterday when the couple were married at the metropolis, proof again of fate and love finding a way." "**MANNING/STONE**--Married on the Ocean -- [from the Monterey '*Argus*] -- "On Thanksgiving Day, a young couple arrived from Salinas, and after hunting up one of our divines, they explained to him that they had gone to Salinas from San Francisco to get married, forgetting that the day was a holiday and were therefore unable to procure a license. Determined, nevertheless, to get married anyhow, they got a carriage and came over here to be married out at sea. Everything seemed to be on the square, and nothing _oth [damaged], Rev. H.S. **SNODGRASS** consented to accompany them the necessary 3 miles out on the bay. After arriving at about the desired distance, the couple -- D.B. **MANNING**, of Santa Cruz, and Miss Annie **STONE**, of San Francisco -- were united in marriage, a friend by the name of **BAKER** being a witness." From the '*Index*' -- There are several inaccuracies in the above paragraph. Miss Annie **STONE** was a Salinas schoolgirl, not over 16 years of age and resided here with her mother. Her father is ex-Constable W.W. **STONE**, who is at present somewhere in the East. It is understood that **MANNING** is from San Francisco, instead of Santa Cruz. The next day after the divorce, Annie married C.H. **COLBURN**, the "mutual friend" who assisted at the elopement and first marriage and afterwards lived in the same house with **MANNING** and his bride." "**MEACHAM/TATE**--On July 26th, 1850, Alonzo **MEACHAM** and Miss Sarah Jane **TATE**, were united in marriage in San Francisco. Since the early '50's the couple have resided in this county, being among the first settlers of Santa Rosa. For about 35 years they have resided on their beautiful farm on Mark West Creek, and Saturday afternoon, a few neighbors and friends resolved to tender them a surprise party in commemoration of the 40th anniversary of their wedding day. The programme was successfully carried out, and a jollier occasion has seldom been witnessed on the Creek. About 60 guests, including pioneers, neighbors, friends and relatives, assembled at the residence and created a surprise that was a surprise. After explanations were made and congratulations extended the party proceeded at once to the full enjoyment of the occasion. A few who were previously let into the secret had made complete provisions for refreshments and long tables for the accommodations of 75 visitors were spread

under the shady oaks that surround the dwelling. Everything that could tempt the palate or satisfy the epicurean taste was provided in abundance. At the head of the table sat the bride and groom of 40 years ago, looking as happy and contented as in the days of yore, while on the sides were seated the olive branches of the union. Three sons and a daughter, now grown. After a pleasant hour at the dinner table the companions were entertained by the younger members of the assemblage, with musical and literary selections, in which Miss **LaBOYD** of Elk Grove and Miss Bertha **HOEN** of this city, took a prominent part. The affair was well managed throughout, and none seemed more pleased than Mr./Mrs. **MEACHAM**, who appeared well satisfied with the ovation and from every indication, bid fair to celebrate their diamond wedding. "MECUM/SNELL--A PRETTY WEDDING--Ira E. **MECUM** OF San Francisco Weds Pretty Mildred **SNELL--***The Fall River Tidings* contains the following account of the wedding of Ira E. **MECUM** and Miss Mildred **SNELL**: A most charming home wedding was solemnized at the beautiful home of Mr. and Mrs. James H. **SNELL**, four miles south of Pittville, at high noon on Wednesday, June 12, 1901, the contracting parties being the only daughter, Mildred E. **SNELL** and Ira E. **MECUM** of San Francisco. Spacious parlors were in gay spring decorations of roses, carnations and white satin ribbon. The bower under which the bridal party stood was tastefully decorated in white silk, while a large mirror hung in the background. As the young couple walked to the sacred spot, they were preceded by the little flower girls, Alice **MOSS** and Wanda **KING**, cousins of the bride, and little Helen **MARSHMAN** as ring bearer. From each side of the bower of roses extended long white satin ribbons, attached to two baskets of lovely roses. The little flower girls each took a basket and stepped aside, leaving an opening through which the bride and groom passed. As the party stood beneath this handsome bower of roses, an artist could not have wished for a more beautiful subject than was reflected from the mirror as they stood waiting for the solemn words to be spoken. Rev. D. M. **MARSHMAN**, Pastor of the first Presbyterian Church was the officiating clergyman. Master Leo **ROWLEY** played Mendelssohn's wedding march, "Thou Art Mine," during the ceremony. After congratulations the guests were ushered into the beautifully decorated dining room to the notes of "I'd Leave My Happy Home For You," and seated to a sumptuous breakfast. The bride wore an exquisite gown of Point 'd Sprit over a white Peau de Sole. She was without veil and carried a bouquet of white carnations and ferns. She was one of the leading belles of Shasta and Lassen Counties, and has many, many friends, who wish her all the happiness in the world, and hope her life may ever be as joyous as it was today. The groom is one of the most promising businessmen of San Francisco. We all wish him all the success in life, but envy him for robbing us of one of our fairest daughters. The happy couple left at 2 o'clock p.m. for San Francisco. They expect to travel for a month, and on their return will be at home to their friends at 318 Golden Gate avenue, San Francisco. Only the relatives and most intimate friends of the bride were present. Mr. and Mrs. **MECUM** received a number of beautiful presents." The ceremony was performed by Rev. Walter M. **WHITE**, minister of the West Side Christian Church. The groom was reared in this community and for the past six years has been a clerk in the employ of Uncle Sam's Railway Mail Service, under assignment to the local trains between Oroville and Sacramento. Mr. **PLAGEMAN** is a wholesale cigar dealer of San Francisco, who has brought his family into the country to spend a few weeks away from the busy scenes of the metropolis. By the kindness of Mr. **LUTTINGER**, the genial proprietor of the Plantation House, the spacious hall, decorated by San Francisco florists, was accorded them for the occasion. Some time before 9 o'clock, the hour appointed for the ceremony, the guests began to assemble. As Caesare **BRANDT**'s orchestra, of San Francisco, played Mendelssohn's wedding march, Mr./Mrs. **PLAGEMAN** were escorted to the alter where they were remarried by Judge J.S. **BROOKS**, of Timber Cove. After receiving the congratulations from their children and guests, a social hop was indulged in until a late hour. A sumptuous repast was prepared

San Francisco County

Marriages

Harold J. **POWERS**, minute clerk of the Senate and son of Senator F. J. **POWERS** made public his "secret" marriage to Marie **STREET**, of Cedarville, Modoc County, student at the San Jose Teachers' College by showering the confused and astonished benedict with rice at the close of the Senate session today. Young **POWERS**, who did not even take his father into his confidence, slipped quietly to San Francisco, during the Senate adjournment, met his fiancée and the two were married Saturday morning. Monday both were back at their desks, Mrs. **POWERS** at the State Teachers' College in San Jose, Mr. **POWERS** holding down his job in the Senate. One of his associates glancing at the marriage license column of a San Francisco paper, discovered the secret, however, and the rice shower demonstration was staged as penalty for his secrecy. The wedding is the culmination of a youthful romance, began during the couple' school days in Modoc County. The demonstration, appropriately enough, came just after the two appropriation bills, aggregating \$480,500 giving the San Jose State Teachers' College additional funds for salaries and for the purchase of an athletic field had been passed by the Senate." "RANDALL/RANDALL--ANOTHER DIVORCE DENIED -- Judge **HAGER** denied a divorce, in the case of Susan E. **RANDALL** vs. John L. **RANDALL**, in San Francisco, on Saturday last. The Judge stated the case as follows: This is an action to obtain a divorce on the ground of desertion. By the proofs reported, it appears that the parties were married in this city and county and lived together about a year, when plaintiff left defendant, went to live with her mother, and continued afterwards to reside there. Defendant was the mate of a ship, and was in the habit of visiting his wife occasionally, and when he returned from a voyage, at her mother's house, and made his home there until June, 1855, when he left this State by a ship, has not been seen here since, and now resides in the State of Maine. The mother testifies that plaintiff married against her will, and that defendant neglected plaintiff, and for that reason she came to live with her. Before defendant left this State he declared, as one of the witnesses testifies, he was "put out" with his wife, would leave her, and never return. The plaintiff has also given in evidence a letter from the defendant, acknowledging the receipt of a copy of the complaint in this action, in which he, in effect, states that if plaintiff will release all claim to his estate, he will not oppose her application for a divorce. This is substantially the proof pertinent to the issue presented and in my opinion it is insufficient to establish the fact of willful desertion of the plaintiff on the part of the defendant. Taking the testimony of the mother, the fact of plaintiff's leaving defendant, and the letter and business of defendant into consideration, it is sufficient to raise a doubt of the truth of any presumption that defendant is guilty of willful desertion. Did plaintiff know of his departure? Did she offer to accompany him, and did he refuse to receive her? There are questions which are unanswered. It is true that it is proven that he did leave without his wife, and that he said he would leave her and never return; but it is not proven by facts or circumstances that he refused or would have refused to take her with him, had she been willing to go. On the contrary, I must infer from the circumstances that the mother opposed the

marriage, that plaintiff left defendant and went to reside with her mother, and from the letter of defendant, the plaintiff was not will to go with defendant. The allegations of the complaint are not sustained, and the application for a divorce is denied. Decree accordingly." Source: *Weekly Stockton Democrat*, 9 May 1858. Transcribed by Dee.

"**REDDINGTON/PARKS**--Wed in Marysville Instead of Ottawa --MARYSVILLE (Yuba Co.), May 2 - Among the many other things which the San Francisco earthquake and fire has brought about, is the transferring of a wedding which was to have taken place in Ottawa, Canada, Saturday next, to Marysville. The principals to the affair are former City Attorney A.H. **REDDINGTON** and Miss Emily **PARKS**. The groom-elect is now a resident of San Francisco and he was preparing to leave that city for Ottawa on the day the earthquake occurred. The legal business which has resulted demands that he stay at home, hence the transferring of the nuptials to the Pacific Coast. The **PARKS** home on E Street will be the scene of the wedding. Mr. **ROONEY**, formerly of this city, but at present pastor of the Greenwich street church, San Francisco. An application for alimony was also made during the pending of the suit. A report of the case as given in the S.F. 'Bulletin' says: "The affidavits of the wife and her friends, charge a systematic course of cruelty on the part of her husband towards her, which ended in his finally driving her from his house without either clothing or money; and that he made the vilest charges against her character. "It also appears that her father having been written to, sent \$525 to her to pay their passages home. The wife asks that her husband may be compelled to pay this money to her for her support. This money Mr. **ROONEY** says he has loaned to the Greenwich street church, of which he is pastor. "In the affidavits and answer read on behalf of the husband, the reverend gentleman denies the cruelty, but reiterates the charges against the character of his wife. He also says that, notwithstanding all her ill conduct, he is willing to take her back to his house and his bosom, but he is not willing or able to pay any money for her support, which he thinks she is able to earn for herself. "In proof of his inability to pay her anything, he alleges that though he has been pastor of the Greenwich street church since October, 1856, he has only received in all that time the sum of \$669.13, or about \$5 or \$6 per week. The separation of the parties took place in November last." Source: *Weekly Stockton Democrat*, 11 April 1858. Transcribed by Dee.

"**ROONEY/ROONEY**--In San Francisco, Saturday, the jury in the case of Augusta **ROONEY** vs. Samuel M. **ROONEY**, rendered a verdict in favor of plaintiff. This amounts to granting to plaintiff a divorce from her husband. It is somewhat odd to those in Stockton acquainted with **ROONEY** matters, to learn that Mrs. **ROONEY** comes out so much ahead." the happy partners in a matrimonial contract. The ceremony was performed by Rev. John Hannon, and was witnessed only by a few intimate friends and relatives. But few of Tom's bachelor friends were admitted to his confidence in this instance and the general feeling among his acquaintances will be one of surprise. Tom is a young man of high intelligence and fine business qualifications and success in his chosen profession of the law lacks only opportunity, to become a reality. His wife, although not personally known to many in this city, is a young lady of high social position and possesses accomplishments, which, united with a warm and genial disposition are sufficient to insure her husband a liberal share in life's happiness. The marriage of Adolph A. **SCHUCHARD** and Mary F. **LAWLESS** was solemnized at St. Paul's church at 11a.m. yesterday, in the presence of a large number of the friends of the contracting parties. The church was tastily decorated with flowers. The bride was dressed in white silk, with orange blossoms and veil. She was attended by the Misses Annie and Polly **SCHUCHARD** as bridesmaids. The bridegroom was attended by Robert **MILLER** and Deputy District Attorney Pedro **ZABALA** as best men. After the ceremony the parties repaired to Good Templar's hall, where a throng of people came forward with their congratulations and partook of a bounteous bridal luncheon prepared for the occasion, until train time. The happy couple departed for San Francisco, and were followed to the train by hosts of friends who showered upon them rice and endeavored to fortify their good luck by throwing old shoes after the departing train. On their return next week they will go to house keeping in the house on Gabilan street recently vacated by John L. **MATTHEWS**. The presents to the happy couple were numerous and valuable. A bountiful supply of cake and good things from the wedding feast made the 'Index' force glad." Source: *Salinas Weekly Index*, 21 Jan 1892. Transcribed by Dee.

"**SMITH/VIOGET**--MARRIAGE BY HABEAS CORPUS???The following account of a singular matrimonial transaction in San Mateo county, is furnished by your correspondent at Redwood City: Out little town of Redwood City as been thrown into considerable excitement by the report that a marriage a la mode was expected to move off under rather extraordinary circumstances. It appears that W. **SMITH**, esq., coroner of this county, had courted, with success, the beautiful and accomplished daughter of the late Capt. **VIOGET**, (a well known pioneer citizen of San Francisco.) The mother being thoroughly aristocratic, and inheriting the blood of ???the old noblesse??? firmly protested against any closer intimacy, and exercised some restraint on her daughter. The lover becoming aware of the fact, sued out a writ of habeas corpus, which being treated with contempt, the Judge issues out a writ of attachment, commanding the sheriff to produce the person of both mother and daughter before him, instanter. Late in the evening, the two ladies arrived in a carriage, escorted by the sheriff, where a scene ensued that baffles all description. The court room was crowded to excess. On the appearance of the parties in Court, the law proceedings were waived, and the Judge asked the young lady if she wished to be married. The mother urgently remonstrated; daughter wept; lover pleaded ???now or never???. At last the fair one became deaf to the mother???'s entreaties???stood up, and was married. O tempora! O mores! Many of our people condemn Judge **FOX** for issuing an attachment, at a late hour, (and making it returnable that night,) on a lone widow, who in obeying the mandate, was compelled to leave her young children entirely unprotected on the ranch during her absence. The mother returned home, lonely, disconsolate and heart-broken." Source: *Daily Alta California*, 8 Jan 1858. Transcribed by Martha Richards.

"**TAUSSIG/FRANK**--The **TAUSSIG-FRANK** Wedding. Last Wednesday evening the marriage of Miss Cecilia **FRANK** and Mr. Isaac W. **TAUSSIG** was solemnized at the Maison Dorec, in the presence of a large and fashionable company. The private parlors on the third floor were used for the occasion and were elegantly decorated in honor of the event. In the large bay window, where the marriage rites were performed, the decorations consisted of a wedding bell of pure white chrysanthemums and draperies of pink and white tulle, looped up with garlands of pale pink chrysanthemums, above which hovered a flock of white doves. Palms and ferns flanked the windows on either side, and hearth and mantle were clothed in a robe of the choicest and most fragrant blossoms, while around the apartment draperies of smilax gemmed with many a fair flower added beauty to the appointments. At the conclusion of the ceremony the wedding party was ushered into the private dining room, where some seventy guests partook of the wedding banquet. Here, too, the choicest flowers and foliage lent beauty to the surroundings and a warmth of color was awarded by the silken draperies which canopied the table. Several hours were spent in discussing the merits of the menu and in toasting the happiness and prosperity of the bride and groom before the party separated. The happy couple left next day for a tour of the southern counties, on returning from which they will settle down to housekeeping in this city."

The Court gave her a divorce from William G. **THIGPEN**, owner of a string of San Francisco apartment houses. The wife declined alimony, with the statement that she was independent in her own right. "**WALLS/GERKINS**--KEPT MARRIAGE SECRET DURING FIFTEEN MONTHS--MARYSVILLE (Yuba Co.), April 25 - The story of a secret marriage which took place in San Francisco fifteen months ago, and in which a highly esteemed Marysville young woman figured as bride, has just been made public. The news comes as a great surprise to the young wife's relatives here, as well as to her wide circle of friends and acquaintances. On January 14, 1904, Miss Elizabeth **GERKIN** became the wife of Captain William L. **WALLS**, the nuptial knot being tied by Rev. Father **MCQUADE**, a close friend of the groom, through ties that were cemented during troublous times. William A. **WALLS** went to the Phillipines as Captain of one of the San Francisco volunteer companies, and as Chaplain in the same regiment went Father **MCQUADE**. Thus, when the young people had their secret to confide, they chose Father **MCQUADE** to perform the ceremony. Since his return from the Phillipines Captain **WALLS** has held a responsible position with the Railroad Company. He is to be congratulated upon his choice of a life partner, and Mrs. **WALLS** has the well wished of every one in Marysville. Accompanied by her husband, Mrs. **WALLS** will spend Carnival week in this city, at which time she can apologize for the surprise she sprung on every one."
