Round-Up

The first annual Stockton College Round-up will long be remembered by the students who took part in the two day extravaganza. The Round-up officially started Thursday morning with a Three Unit Rally in Baxter Stadium. Pat Hunter was chosen Queen of the Round-up, and Mary Lou Hunt and Pat Armistead were her attendants.

In the evening, after the Round-up parade 3,500 students attended the rally and bonfire. Two nights before the bonfire the wood that had been collected was destroyed by some unknown firebug, but the students got out and restored the wood supply and several guards stayed with the wood all

night to prevent any further disaster.

The Rodeo gave plenty of thrills for the spectators and plenty of spills for the contestants, who showed their skill at bronc busting, calf roping, greased pig chasing, and various other events. Pete Elmer was chosen all around cowboy. Dean Lunquist took first in calf roping, and John Ward took first in bronc busting.

Friday evening during the halftime period of the Mustang football game Pat Hunter was crowned Queen of the Round-up.

After the game the two day affair was brought to a close with a dance in the South Campus Gym.
