Dear Linda, Sorry, I was not able to get my email when gone so I'm sure you thought I had disappeared. Sometimes in this genealogy thing, I am amazed at how people do disappear but I want you to know I am not one of them! We may be friends for life! :))

I looked on the SSDI and found that Cleve was a Lothgren not a Barker. Sorry. His mother had 3 husbands and Cleve went by Barker when I met him or so I thought.

ADA M LOTHGREN 06 Dec 1895 29 May 1998 (V)
CLEVE LOTHGREN 12 Jan 1923 Sep 1978
FORREST W BARKER 31 Jul 1901 13 Oct 1988

I had thought **Ada's husband was Carl or Park Lothgren but perhaps he was Forrest** or maybe Ada had another son. Other than a death certificate, how would I find out if he is related? Would there be cemetery records? Here, they keep an obit and all the burial records at the cemetery but don't suppose I would be that lucky at Cayucos, would I?

Dear Linda, You will think I am a complete idiot but it IS early in the morning and I still have cobwebs. **Forrest Barker** was one of Ada's husbands and he should be in the cemetery there. Carl Lothgren is not on the SSDI so don't know if he is there or not. So, Ada & Cleve Lothgren are mine as well as Forrest Barker. Sorry for all the confusion.

Cheers, Sharon

Dear Linda,

Guess this is my lucky day as well!!! The names I am looking for are

1. **Harry Daniel MACKEY-13 Nov 1957**
2. **William Albert-3 Aug 1971 & Viola YOST-17 Feb 1980.** Actually, if you find any other **YOST or COLTER** there, they are mine.
3. **Ada Mary LOTHGREN abt 1997 (she was over 100 when she died)**
4. her son **Cleve BARKER & his father Forrest.**

Look for **Cleve COLTER** as well.
