David Michael Ryan: July 24, 1947 - October 23, 2008

It is with much sadness that we announce the sudden passing of David Michael Ryan. Dave left us due to an accident doing one of the things he loved, riding horses, while visiting friends in Idaho. Dave was born on July 24, 1947 in Corpus Christi, Texas to Cmdr. Robert Sr., U.S. Navy (ret.) and Margaret Ryan of Coronado. Dave has now joined his father in Heaven and we can only hope the subject of politics is not allowed. Dave graduated from Coronado High School in 1965 and attended Monterey Peninsula College and Cal Poly in San Luis Obispo. Dave spent his career as a general contractor. Dave married Sandy McLeod Ryan in 1974, and they raised three adored sons in Lakeside and Coronado and McCall, Idaho. Dave was on his way back to his family and friends here in California after living in Idaho for the last 15 years. He had the best of the worlds he loved, the mountains and the ocean. He leaves behind many friends and family in both California and Idaho. Dave was quite the charmer with an infectious smile and charismatic personality that won't be forgotten.

Dave is survived by his three sons whom he loved very much, Matthew and (Mary) Ryan of Los Angeles; Sean Ryan of Coronado; and Dillon Ryan of Seattle; his ex-wife Sandy of Coronado; his mother Margaret Ryan of Coronado; his brothers Bob (Margie) Ryan of Coronado; and Tom (Kem) Ryan of Alvarado, Texas; his sister Janet (Tony) Falletta of Coronado; and his many nieces and nephews; aunts and uncles; and his ex-wife Ricky Ryan of Idaho.

Dave was coming home to the sun and saltwater he so missed. His wish will be fulfilled with a family gathering for the spreading of his ashes at sea. We invite all who knew and loved Dave to join his family for a celebration of life on Nov. 9 at the Coronado Yacht Club beginning at 3 p.m. Please take memories to share. Dave, you will be missed.

As published in the online Edition of the *Coronado Eagle & Journal*, Coronado (San Diego), California (CA) on 11-06-2008.

Auto Overturns, One Killed on Cuesta La Crescenta Man Dies In Accident

Lloyd Elden ASHENFELTER, 62, La Crescenta, died in a San Luis Obispo hospital at 1:15 a.m. today of injuries suffered in an automobile accident six miles north of this city on highway 101 yesterday afternoon.

His wife, Mrs. Flossie M. ASHENFELTER, 57, was reported in "fair" condition at the San Luis Obispo General hospital.

According to the California Highway patrol, ASHENFELTER attempted to pass a truck and trailer driven by Chester Elmer WEDGE, 35, Daly City. Both were southbound.

The light coupe struck the center dividing strip between the two lanes of traffic and overturned, striking the left side of the truck. Both ASHENFELTER and his wife were thrown from their vehicle. The accident occurred on the north slope of the Cuesta grade at 5:50 p.m. The heavy Sunday traffic provided a large crowd at the fatal scene, blocking the highway until dispersed by highway patrolmen. Wedge was unhurt, and the truck was only slightly damaged.

Mr. ASHENFELTER was a veteran of the first World war, and is survived by a wife and daughter residing in La Crescenta. He was employed by the United States post office department at the Los Angeles terminal annex.

RAILWAY WORKMAN IS HURT

Quarry Blast at Santa Margarita May Be Fatal to Worker

James D. WEILER was seriously and perhaps fatally injured in a blast at the Southern Pacific rock quarry near Santa Margarita on Thursday morning at 11 o'clock.

Dr. F. R. Mugler was called to the scene of the accident by employees of the yardmaster's office at Santa Margarita, and followed the ambulance and a nurse which he sent out.

"Reports from the railroad office were to the effect that Mr. WEILER, who is a driller, had placed several blasts in the rock a day or two previous.", Dr. Mugler said, "and in drilling Thursday morning struck one which had evidently failed to explode."

"In the blast that followed, Mr. WEILER suffered serious and perhaps fatal injuries." Dr. Mugler declared after an examination of the accident victim at the San Luis Sanitarium, where he was rushed for treatment.

May Lose Sight.

"He is suffering from severe lacerations around the head and especially the eyes," Dr. Mugler reported, "and there is a question as to whether his eyeballs are intact or not."

"There is also a severe fracture of both bones in the left leg below the knee joint which may entail amputation if he survives the severe shock."

"Lacerations of the face, forearms and chest were also inflicted," he said, "and add to the seriousness of his condition." Mrs. Gertrude WEILER, his wife, was notified of the tragedy and rushed to his bedside. Mr. and Mrs. TRUESDALE, parents of Mrs. WEILER, are on a vacation to San Francisco.

BLAST VICTIM IS DEAD

S.P. MAN DIES OF INJURIES

Quarry Blast Is Fatal to James D. WEILER at Margarita.

James Duane WEILER, 23 years of age, died at a local hospital Thursday evening at 9:15 from injuries received in a blast at the Southern Pacific rock quarry near Santa Margarita Thursday morning at 11 o'clock.

The young man was the husband of Gertrude Truesdale WEILER, daughter of County Auditor and Mrs. Harry A. TRUESDALE of 1134 Mill Street.

The couple had only been married a little over a year, the first anniversary of their wedding being on Christmas day, 1927. Mr. WEILER was a native of Blue Earth, Minnesota, at which place he joined the navy and was stationed at San Diego, where he met Miss TRUESDALE.

They came to San Luis Obispo where the ceremony was performed after Mr. WEILER had been released from the navy, after which they moved to Oakland and made their home until last October when they moved to this city.

Mr. and Mrs. TRUESDALE were on their way home from a vacation to San Francisco when the accident occurred and received first word of the tragedy at Santa Cruz Thursday night at about eleven o'clock.

Shocked at the news they continued their way and arrived in San Luis about 3:45 Friday morning.

Planned For Trip

"They been working hard to save enough money for a trip to Minnesota," Mr. Truesdale said, in commenting on Mr. and Mrs. WEILER's activities in this city, as Gertrude had never met Duane's family and they were eager to make the journey.

Investigation On

Mr. WEILER was a miner by trade and had been employed at the rock quarry since making a home here at 1440 Upham Street.

An investigation is being made of the accident which occurred when Mr. WEILER drilled into a blast placed in the rock a day or two previous and which had not exploded.

Funeral services will be held from the Richardson Funeral parlor Saturday evening at 8 o'clock and the body will be shipped to Blue Earth, for interment.

Mrs. WEILER will accompany the remains.

The deceased is survived by his mother, Mrs. Margaret WEILER, of Blue Earth and several brothers and sisters whose names are not known.

7 Year Old Child Burned To Death

Theta Beth ROBBINS, 7 year old daughter of Mr. and Mrs. Ruel ROBBINS, died at the home of her parents, 2302 BroadSt, this morning as a result of burns received yesterday.

When dressing yesterday morning the child stood in front of an open gas stove. Her clothing came in contact with the fire and almost instantly she was enveloped in flames. She ran about the room in terror and this only added to the difficulty. Before her mother could throw a blanket about the child her little body was burned from head to foot.

A physician was called and everything done that could be done to relieve the little sufferer. She passed away at 10 this morning.

Funeral services will be held at the Richardson parlor at 10 am Monday. Interment at I.O.O. F. cemetery.

San Luis Obispo, California "Evening Breeze", 2 Sept 1895: Untimely End, Sad Death of an Old and Highly Respected Citizen. J. (James) SUMMERS one of the oldest and best known citizens of this county, died at his home in this city yesterday afternoon under very sad and peculiar circumstances. The old gentleman who had been in failing health for some time past seemed to rally a day or two ago, and although no hopes were entertained of his ultimate recovery, his family had reason to believe by the sudden change for the better that his life would be spared for at least a while longer. This belief however was rudely shattered yesterday afternoon, by the finding of the body in the cold embrace of death near the wood shed in the rear of the family residence. A gaping gun shot wound in the abdomen, together with a double barrel shot gun near the body, told the tale of his sad and untimely end. It seems that for some time past squirrels had been annoying the old gentleman and it is thought that he went into the yard with his gun for the purpose of exterminating them, but owing to his feeble condition, he was suddenly seized with a fainting spell, falling to the ground the gun being accidentally

discharged producing the wound that caused his death. Deceased at the time of his death was in his 71st year having been born in Ireland in 1825. He was universally esteemed in this community where he had lived for the past twenty-seven years, being among the old pioneers who came to California by way of Nicaragua in 1848. [he is in the 1851 Murray, Northumberland, Ontario, Canada census however].

Among the positions of trust held by Mr. Summers during early days, was that of member of the city council of this city and he also enjoyed the distinction of furnishing water to the town long before water works were ever thought of. His aged wife (Bridget Dooley Summers) and three children survive him, one (Mary Elizabeth) the wife of P.F. Ready, our well known townsman, Mrs. (Julia) J.N. Cooper and a son (James) who now resides at San Jose. The inquest was held today by Dr. Nichols, the following jury being impannelled: E.B. De la Guerra, W.T. Keeney, George Frazer, Jas. Dunbar, M. Pressey and Warren M. John. After carefully investigating the manner of death the following verdict was rendered: "We the jury find that the deceased came to his death by the accidental discharge of a shot gun in his own hands." The funeral will take place from the family residence tomorrow afternoon at 2 o'clock. (burial Old Catholic cemetery)

Abstracted from the "San Luis Obispo Breeze" (Daily) 11 Sept 1899: An Old Marriage Certificate: J.A. Dunbar purchased a box from a Mrs. H. Sutcliff before she left the city. In the box was a certificate issued in April 1841 "this marriage was solemnized between Charles Kitchener full age, bachelor, baker and Sarah Amery, full age, spinster, by me James Mayne, Curate in the presence of us John Amery and Ann Amery." in Parish of Bethnal Green, in the County of Middlesex, England and in addition the document states the names of the fathers of the contracting persons, and the business in which they were engaged.
