The Story of the Layng-Tinney Mortuary File Index

About the time I joined SMCGS, a project to index the collection of mortuary records given to the society by Layng & Tinney was begun. Lois Bazzano spent months entering names dates and places into her macintosh, and nearly every library volunteer spent at least a few hours proofreading the list. It was nearing completion and then the computer ate it. Many members had joined in the effort, but with that original file the list of volunteers has been lost. Since I know I would miss someone if I tried to list all who participated, I won't try. But each and every person who spent an afternoon, or more, reading records is greatly appreciated.

Attempts to retrieve the data ultimately failed. Eventually Fran Pillsbury scanned an original printout. Due to the hard work of Irene Gough, Leon Glahn and Donna Farmer, the list was checked for omissions and mistakes and the database corrected. For those who have never attempted to scan this type of printout, the problems with conversions of 0 vs O, 1 [one] vs I [eye] vs l [ell], etc., cause major problems when it comes time to sort the database. Another interesting complication was the creeping surname, probably a data entry problem. After another two proofreading checks through the file, the database is finally complete and ready for publication

On the next page you can see some of the many types of papers you might find in the files. There are obituaries, death records, receipts, letters and more. The files date mainly from the mid 1920's to abt. 1970. Through the years various families removed their loved ones from Union Cemetery, favoring the perpetual care of the cemeteries in Colma. These removals provide information on deaths back as early as 1877.

There are over seven thousand files housed in eleven vertical file drawers in the library. They are filed alphabetically by surname and then given name. In the case of two identical names the earlier death is filed first. Some records are contained in file folders and others in envelopes. It is important to remember if you use these records that they are anywhere from 35 to 80 years old and, therefore, they are somewhat fragile. Do handle them with care, and be sure to re-file them correctly to avoid unnecessary handling as someone searches for them.

Special Thanks for this publication go to the many, many society members who proofread the index the first time. Over the years the list of names has been lost, but the effort is none the less appreciated.

Cath Madden Trindle, CGRSSM
SMGCS Publications Chair

DEATH TAKES DR. OFFFIELD AT RESIDENCE

Ex-Head of Hospital
Had Just Formed
Partnership

Death came today after a lingering illness to Dr. A. L. Offfield, prominent Burlingame physician and former superintendent many years at the Community hospital.

Dr. Offfield, who had practiced Burlingame since 1906, was a member of the American College Surgeons and of the San Mateo County Medical Association. He was also a director of the Burlingame Bank of America, and belonged to the orders of Masons and Elks.

Members of his family said they feared that a contributing cause of his death was worry dating from the time a year and a half ago when he was ousted from the hospital superintendency.

Just yesterday the announcement was made that Dr. C. V. Thompson, coastside physician and former chairman of the county board of supervisors, had become associated with Dr. Offfield in medical practice in Burlingame. Both are graduates of the Cooper Medical School of Stanford, where Dr. Offfield's son, Leonard, is now completing his medical course.

Both Dr. Thompson and Dr. Offfield is given much of the credit for building of the Community hospital.

Offfield who died at 4:30

January 15, 1932.

STEVENS

Following a long illness, Mrs. Catherine Stevens, widow of the late Samuel George Stevens passed away yesterday afternoon at 424 Heller Street. She was a pioneer resident of this city, having lived here since her marriage fifty years ago. She was a native of England, and was married past 36 years of age. She is survived by a sister, Mrs. Fannie Ranker of Tacoma, Washington; and a nephew, William Miller.

The funeral services will be held on Friday afternoon at 2 pm at the First Baptist Church, James & Hudson Streets. Interment will follow in Union Cemetery. Friends may call at the Layng & Tinney

Information in regards to Mrs. Miller Stevens will be found in the City Tribune and the Times-Gazette issued around October 1930, at the age of her 80th birthday.

THE BEACON-ADVERTISER
OFFFIELD ESTATE \$37,904
The estate which Dr. Archie L. Offfield of San Mateo, former superintendent of the Community hospital, left when he died September 17, 1936, was appraised today at \$37,904, and the rest of the estate will go to his widow, and the rest

OFFFIELD-In Hillsborough, Thursday, Sept. 17, 1936. Dr. Archie Leonard Offfield, beloved husband of Irene Offfield, and loving father of Jane, Archie and Dr. Leonard Offfield. A native of Oregon, aged 59 years. Funeral and interment strictly private. Please omit flowers. (Layng & Tinney)
